Mercedes-Benz Brian Long 2013-03-18 It's hard to believe, but the W129-series Mercedes-Benz SL was launched over 20 years ago. However, its timeless styling has kept it fresh and attractive in the eyes of a new generation of enthusiasts, as well as those returning to the car having owned one when they were still in the dealerships. A combination of superb original design and peerless engineering and build quality adds to the desirability of this series of classic German machines, and has ensured that many of these cars can still be seen in regular use today. Covering the SL's ever-changing specification, and its presence in many of the world's major markets is a huge task, but it's all presented here in definitive detail, along with stunning contemporary photography, in a volume that will readily grace any reference library shelf or connoisseur's coffee table. Two earlier books, also published by Veloce, and covering the W113 cars and the 107-series SL and SLC, act as perfect companions to this title, which takes the SL story up to 1989.

Adult Catalog: Authors Los Angeles County Public Library 1970

Rootes Cars of the 1950s, 1960s & 1970s – Hillman, Humber, Singer, Sunbeam & Talbot David Rowe 2016-10-01 *Rootes Cars of the 50s, 60s & 70s* is the only full-colour comprehensive guide to all Hillman, Humber, Sunbeam, Singer & Talbot cars & vans, built from 1950 until the end of production in the 1970s. How to Improve & Modify Your Caravan Lindsay Porter 2012-04-15 This step-by-step, heavily illustrated guide shows the caravan owner and user how he or she can turn their caravan into a perfect and unique holiday retreat. It details the huge range of improvements available and – crucially – how you can apply them to your own caravan. Based on a magazine-article format, this manual is easy to use and will help you create the caravan of your dreams.

A Chequered Life Richard Heseltine 2013-11-15 This is the first and only account of the Chequered Flag race team and its charismatic founder, Graham Warner. It

charts the highs and lows, the victories and losses, and features interviews with the man himself and several star drivers of the 1960s and '70s. Accompanied by 150 photographs, many previously unpublished, plus a look at Graham's subsequent career as a fighter aircraft expert and restorer, this is a unique story of a fascinating life in motorsport.

Motor Racing Steve Wyatt 2013-01-01 Picking up where the first volume left off, this is a beautifully illustrated journey covering a period of ten years in motor sport. Moving year by year, this book is written from the perspective of a passionate motor sport enthusiast of the day. Features many previously unpublished photographs.

Build Your Own Dream Camper Van for Less Than 1000 Pounds Matthew Ball 2012-11 Now you can build your own dream campervan in just ten weeks – for less than \$1,250! This is the first book to give easy, step-by-step illustrated instructions for the amateur DIYer on a budget. Full of never before seen money- and time-saving ideas, including how to kit out your interior for free, and source your van for peanuts. The ideas in this book will work on any van.

Alfa Romeo 155/156/147 Competition Touring Cars Peter Collins 2012-09-03 After saving Alfa Romeo from oblivion

in 1987, it took Fiat nearly five years to debut the first new Alfa produced under its control. This is the story of how the competition versions of the 155/156/147 family of cars were developed and subsequently raced to many championship titles and race wins. Alfa Romeo's 155 saloon was a comprehensively successful racing touring car that won the German and world-wide DTM Championship, and later ITC races. The model also took on the role of representing the company in national touring car championships throughout the world, most notably winning the British Touring Car Championship in 1994. The 156 was Alfa's successor to the 155 and was also raced with much success. This book follows the development and competition history of this model too, along with its sibling, the 147. Together, these models kept the Alfa Romeo name at the pinnacle of motor sport for many years, from 1992 to 2006, and will become future motorsport classics.

The Morgan 3 Wheeler Peter Dron 2015-03-01 Revealing why Morgan returned to its original 3 Wheeler concept after a century. How the new 3 Wheeler was created, became a best-seller, and was made, this book shows what it's like to drive, strengths, weaknesses, and factory improvements made since the 2011 launch – from modifications, possible developments, and even why it is – or isn't – your kind of vehicle.
