De reisgenoot Jorge Bucay 2012-09-25

Jorge Bucay begeleidt je in *De reisgenoot* op de weg naar geluk. Hiervoor stelt hij drie vragen, die voor iedereen van belang zijn, welke weg je ook kiest: Wie ben ik? Waar ga ik naartoe? En met wie? In eerste

instantie lijken dit simpele vragen, maar de antwoorden zijn niet zo makkelijk te geven. Bucay wisselt onderweg praktische adviezen af met inspirerende beeldspraak zodat je je eigen antwoorden kunt vinden om zo je weg naar geluk te bewandelen.

Better Roads 1988

Over Indo en Indisch Ron Krancher

2021-08-24 Het boek bevat achttien in de jaren 1992-1993 afgenomen interviews met Indo-Europeanen. In de gesprekken reageren de respondenten op de definitie van Ellemers en Vaillant over Indo-Europeanen en Indische Nederlanders. Naast hun mening over de definitie was de vraag in hoeverre bij de respondenten kennis aanwezig is over hun afkomst en familiegeschiedenis, zoals bijvoorbeeld het leven van hun (voor)ouders in In(dones)ie en de eerste periode in Nederland na de repatriëring. Ook komt ter sprake hoe men

over de eigen positie denkt en dan met name als doorgeefluik van kennis naar kinderen en kleinkinderen en welk beeld men heeft van de eigen nabije toekomst en die van hun (klein)kinderen.

Intelligent Soil Compaction Systems

Michael A. Mooney 2010-01-01 TRB's National Cooperative Highway Research Program (NCHRP) Report 676: Intelligent Soil Compaction Systems explores intelligent compaction, a new method of achieving and documenting compaction requirements. Intelligent compaction uses continuous compaction-roller vibration monitoring to assess mechanistic soil properties, continuous modification/adaptation of roller vibration amplitude and frequency to ensure optimum compaction, and full-time monitoring by an integrated global

positioning system to provide a complete
GPS-based record of the compacted area--
